BENEFIT SALE

Saturday January 7 2012 from 10 AM-6 PM

Sunday, January 8, 2012 from Noon-4 PM

PREVIEW PARTY

Friday January 6, 6-8 PM

Postcards From the Edge is a Visual AIDS benefit show and sale of original, postcard-sized works on paper by established and emerging artists. All works are sold on a first-come, first-served basis. The works are signed on the back and exhibited so the artists' signatures cannot be seen.

When **Visual AIDS** first launched Postcards From the Edge, 238 postcard-sized works were installed anonymously and sold to raise \$5,400. The current event includes work by over 14,000 artists with a two-day sale, an evening Preview Party, a raffle, and a silent auction of small works. Cumulatively, the annual fundraiser has earned \$530,600; and is attended by 1,000 people each year.

All proceeds support the programs of Visual AIDS. The enthusiasm of contemporary artists in New York and beyond makes Postcards From the Edge a beloved community event and enables Visual AIDS to continue its work between HIV/AIDS and visual art.

THANK YOU

We thank all postcard artists, the extraordinary volunteers, and the artists donating works to the silent auction.

Postcards From the Edge would not be possible without our host gallery, Cheim & Read. We acknowledge the in-kind sponsorship of: ArtNews, A&U Magazine, Chelsea Frames, The Imperial Court of New York, Museum of Sex, New York Health and Racquet Club, Pearl Paint, Print Place, Steven Rosen Photography, Wine & Spirits Magazine, and x-ing design.

MISSION STATEMENT

Visual AIDS utilizes art to fight AIDS by provoking dialogue, supporting HIV+ artists, and preserving a legacy, because AIDS is not over. Visual AIDS is the only contemporary arts organization fully committed to HIV prevention and AIDS awareness through producing and presenting visual art projects, while assisting artists living with HIV/AIDS. We are committed to preserving and honoring the work of artists with HIV/AIDS and the artistic contributions of the AIDS movement.

HISTORY

Founded in 1988 by arts professionals, Visual AIDS was one of the first cultural initiatives to respond to the AIDS pandemic. It brought together visual art and AIDS communities with renowned international projects like DAY WITHOUT ART, Night Without Light, and The Ribbon Project.
